

# ***Patricia Khashayar***

## **Personal Information**

### **Date of birth**

20 September 1979

### **Nationality**

Iranian

### **Civil status**

Single

## **Education**

- PhD Student in Nano-Biotechnology (2011, now) Department of Life Science Engineering, Faculty of New Sciences and Technologies, University of Tehran
- M.S of Medical Education (2006, 2009) Medical Education department, Tehran University of Medical Science, Tehran, Iran
- M.D (Medicine) (1998, 2006) Tehran University of Medical Science, Tehran, Iran

## **Carrier**

- Administrative Secretary of Osteoporosis Research Center affiliated to Endocrinology and Metabolism Research Institute/ Tehran University of Medical Science (2010- now)
- Researcher in Osteoporosis Department of Endocrinology and Metabolism Research Institute/ Tehran University of Medical Science (2009 - 2010)
- Researcher in Obesity Department of Endocrinology and Metabolism Research Institute/ Tehran University of Medical Science (2009 - now)
- Researcher in Research and Development Center of Sina hospital/ Tehran University of Medical Science (2006-2008)
- Health writer/editor in Press TV website ([www.presstv.ir](http://www.presstv.ir)) (2007 - now)

## **Languages**

- English (as native speaker; FCE certification)
- French (professional; DELF certification)
- Spanish (professional; DELE certification)

## **Computer Skills**

- Windows 2003, XP, Vista
- Internet + Microsoft Office softwares (Word, Powerpoint, Excel, Access, publisher)
- SPSS
- Reference Manager
- Graphic Softwares (Adobe Photoshop, Corel Draw, Adobe Premiere)
- Web Site Designing (Dream Work)

# **Professional Qualifications**

## **Memberships in Professional and Honorary Societies:**

- Member of European Academy of Allergy and Clinical Immunology (EAACI)
- Member of the Iranian Endocrinology Association

## **Editorial Board**

- Journal of Emergency Medicine, Trauma & Acute Care (JEMTAC)
- World Journal of Nephrology

## **Invited Reviewer**

- Journal of Clinical Pharmacology (IF = 2.993)
- Journal of Food Science (IF = 1.255)
- Renal Failure (IF = 0.623)
- Journal of Food Quality (IF = 0.482)
- Saudi Medical Journal (IF = 0.329)
- Journal of Research in Medical Sciences
- International Journal for biotechnology and molecular Biology Research

## **Honors and Awards**

- Elite Student Researcher in 2011 Razi Festival in Medical Sciences
- IOF's 2011 Young Investigator Award from the Middle East (IOF)
- Best Educational Process for "OSCE exam of the undergraduate medical students at the end of the clerkship period in TUMS" in the 2nd Educational Festival of Shahid Motahari (2009)
- Best article in the 2nd symposium of "Electronic Hospital and TeleMedicine" (October 2010)
- Distinction for the role in the Shariati Hospital's "Clinical Information System" (CIS)

## **Certificates**

- Good Clinical Practice (October 2010)
- 2nd Comprehensive Diabetes Course (April 2010)

## **Distinctions**

- Member of Peer-review Committee of the Osteoporosis Research Center
- Panel member of 2nd symposium of "Electronic Hospital and TeleMedicine" (October 2010)
- Executive Secretary of "Diagnosis, Prevention, and Treatment of Osteoporosis for ECO Member States" (October 2010)
- Executive Secretary of "Osteoporosis Diagnosis Course with Densitometry Certification" (November 2010)
- Executive Secretary of "Prevention, Diagnosis, Prevention and Treatment of Osteoporosis Workshop" in Iraq (March 2011)

## **Experiences**

- Collaborating with the English website of Iranian Nanotechnology Initiative Website (developing the most recent achievements of the Iranian researchers in the field of nanotechnology)
- Performing the 1st OSCE exam of the undergraduate medical students at the end of the clerkship period in Tehran University of Medical Sciences (Fall 2008)
- Executive Secretary of "Diagnosis, Prevention, and Treatment of Osteoporosis for ECO Member States" (October 2010)
- Executive Secretary of "Osteoporosis Diagnosis Course with Densitometry Certification" (November 2010)

# Publications

## ***Presentations***

1. Effect Of High Dose Versus Conventional Vitamin D Supplement On Serum 25(Oh)D Levels In Women With Low Bone Mass
  - Accepted as Poster in 1st Asia-Pacific Osteoporosis Meeting 2010, Singapore
  - Published in Osteoporosis International 2010; 21(5): S744
2. Bone Mineral Density in female professional athletes
  - Accepted as Poster in 1st Asia-Pacific Osteoporosis Meeting 2010, Singapore
  - Published in Osteoporosis International 2010; 21(5): S683-S684
3. Management of medical disorders affecting education and school performance, a bridge between medicine and education.
  - Accepted as Oral presentation in The Third Asia Pacific Educational Research Association Conference 2010, malaysia
4. Developing a uniform model for treating hospitalized diabetic patients using ARIS
  - Accepted as Oral presentation in 1st International Telemedicine Congress 2010, Tehran, Iran
5. Developing a uniform clinical process for treating patients admitted to the endocrinology ward due to hyperaldestronism using ARIS
  - Accepted as Oral presentation in 1st International Telemedicine Congress 2010, Tehran, Iran
6. Developing the Medical Education process in electronic hospital
  - Accepted as Oral presentation in 1st International Telemedicine Congress 2010, Tehran, Iran
7. Low lying rectal anastomosis with stapler in proctectomy patients: The experience of a new technique
  - Accepted as Oral presentation in 12th World Congress on Gastrointestinal Cancer  
Barcelona, SPAIN, 2010
8. The Correlation of Biochemical markers and osteoporosis risk in an Iranian population

- Accepted as Poster in IOF World Congress on Osteoporosis 2010, Florence, Italy
  - Published in Osteoporosis International 2010; 21(supplement 1)
9. Dermal reaction and bigeminate premature ventricular contractions (PVC) due to neostigmine: A Case Report
- Accepted as Poster in Nysora World Anesthesia Congress 2010, Dubai, UAE
10. Prevalence of hypertension in an Iranian Population
- Accepted as Poster in the American Society of Hypertension 25th Annual Scientific Meeting and Exposition, New York
  - Published in The Journal of Clinical Hypertension 2010; 12(1): PO-287
11. The role of obesity variables in detecting hypertension in an Iranian Population
- Accepted as Poster in the American Society of Hypertension 25th Annual Scientific Meeting and Exposition, New York
  - Published in The Journal of Clinical Hypertension 2010; 12(1): PO-306
12. The prevalence of osteoporosis in an Iranian Population
- Accepted as Poster in the Clinical Osteoporosis 2010: An ISCD-NOF Symposium, San Antonio, Texas, US
  - Published in Journal of Clinical Densitometry 2010; 13(1):112 (poster 12)
13. Tramadol and meperidine effect in postanaesthetic shivering
- Accepted as Poster in WSEAS 2010, London, England
14. Cyclosporine-A versus prednisolone for induction of remission in autoimmune hepatitis: A randomized controlled trial
- Accepted as Poster in the 60th Annual Meeting of the American-Association-for-the-Study-of-Liver-Diseases, Date: OCT 30-NOV 03, 2009 Boston MA
  - Published in Hepatology 2009; 50(4): 377A
15. Evaluation of Voiding Dysfunction in Epileptic Patients
- Accepted as Poster in the 30th Congress of the Societe Internationale d'Urologie (SIU World Congress) 2009, Shanghai

- Published in Urology 2009; 74(4): Supplement 1 (S126)
- 16. Sexual Dysfunction in Female Epileptic Patients
  - Accepted as Poster in the 30th Congress of the Societe Internationale d'Urologie (SIU World Congress) 2009, Shanghai
  - Published in Urology 2009; 74(4): Supplement 1 (S333)
- 17. Gastrointestinal strongyloidiasis in immunocompromised patients: Report of a rare case and review of literature
  - Accepted as oral presentation at 11th Annual Congress of Iranian Pathology and 5th Annual Congress of Iranian Cancer Association
- 18. How much TUMS clerks are competent to perform clinical skills?
  - Accepted as Poster in the AMEE, 2009
- 19. Cyclosporine-A versus Prednisolone for induction of remission in autoimmune hepatitis: A randomized controlled trial
  - Accepted as Poster in the AASLD Annual Meeting, 2009
- 20. Warning signs and symptoms of subarachnoid haemorrhage.
  - Accepted as Poster in the 18th meeting of the European Neurological Society, 2008
  - Journal of Neurology 2008; 255: 191-191
- 21. Patency rate and complications of polytetrafluoroethylene graft compared with polyurethane graft for hemodialysis access
  - Accepted as Oral presentation in XXIII World congress of the International Union of Angiology in Athens, 2008
- 22. Effect of Heparin on the patency of arteriovenous fistula
  - Accepted as Oral presentation in XXIII World congress of the International Union of Angiology in Athens, 2008
- 23. Elderly Trauma: causes and outcome compared to other age groups
  - Accepted as Oral presentation in 4th International Trauma, Disaster & Emergency Medicine Conference in Qatar, 2008
- 24. The prevalence of VAP associated pneumonia in Sina Hospital
  - Accepted as poster in 16th Iranian Congress on Infectious Disease and Tropical Medicine, Tehran/Iran, 2007
- 25. PPD in different types of Tuberculosis
  - Accepted as poster in 16th Iranian Congress on Infectious Disease and Tropical Medicine, Tehran/Iran, 2007

26. Osteoarticular Tuberculosis in Tehran-Iran: A 2 year study
  - Accepted as Oral presentation in 16th Iranian Congress on Infectious Disease and Tropical Medicine, Tehran/Iran, 2007
27. Mg Sulfate in anesthesia of Asthmatic Patients
  - Accepted as Poster in 26th Congress of the European-Academy-of-Allergology-and-Clinical-Immunology, JUN 09-13, 2007 Goteborg SWEDEN
  - Allergy 2007; 62: 557-557
